

🚦 Progress to the BSc (Hons) AI & Robotics Degree Through the Bridging Programme 🚦

Dear Students,

If you have completed a Higher Diploma in **Information Technology, Software Engineering, or Computer Science**, but did not follow the AI & Robotics pathway, you now have an opportunity to progress to the **BSc (Hons) AI & Robotics** degree through our specially designed **Bridging Programme**.

The programme spans approximately **16 weeks** and covers the key modules required for entry into the AI & Robotics degree pathway:

- Engineering Mathematics
- Foundations of Artificial Intelligence
- Robot Principles and Design
- Intelligent Control

💰 Programme Fee

Internal Students

- LKR 55,000 per module × 4 modules
- **Total Programme Fee: LKR 220,000**

External Students

- Registration Fee: **LKR 20,000**
- Module Fee: LKR 55,000 per module × 4 modules
- **Total Programme Fee: LKR 240,000** (including registration fee)

✅ Students who successfully complete the Bridging Programme will be eligible to apply for the **AI Top-Up Degree intake in February 2027**.

📅 Registrations are now open and will close on **31 August 2026**. Classes are scheduled to commence in **September 2026** and will be conducted in hybrid mode.
